

Have an idea?

Start with these first steps...

1

Get it on paper!

Put the key details of your idea on the attached form.

2

Give it a read.

Is your idea an item that could be sold for a profit?

3

Make your submission.

Return your submission by email, fax or mail.

- ✓ Complete screening of your potential patent.
- ✓ Professional consultants to guide you through each step.
- ✓ Clear written proposal to plan the launch of your concept.
